**The Greatest Auction Sale in History**

Sectional view of one of the areas at Camp Zachary Taylor showing character of buildings to be sold.

This Army Camp comprises 2,000 acres of valuable land, adjoining the city of Louisville, together with 2,000 buildings of various sizes, and a vast amount of equipment, such as boilers, plumbers' supplies, stoves, hot water heaters, radiators, electrical equipment, motors, heating and refrigerating plants, etc.

#### THE BUILDING PROBLEM

For years building has been at a practical standstill. The high cost of material, especially lumber, and the scarcity of labor have compelled a stoppage in the erection of homes, storehouses, barns, etc. That time has now passed. Workmen have been released by the hundreds of thousands and Camp Zachary Taylor will release lumber and equipment. 68,000,000 feet of yellow pine will be disposed of at this sale and at such prices as bidders see fit to

pay. Come to this greatest of bargain sales and buy what you want at your own figures. Join with your neighbors in making up car lots to save freight rates. A vast number of cedar, white oak, chestnut and creosoted fence posts, water troughs and grain bins will interest every farmer. There are miles of woven wire hog-tight fencing. Two grain elevators, completely equipped with motors, conveyors and chutes.

#### OUR GUARANTEE

This is an absolute sale. You win or you lose on April 25th. We sell no one privately, but do an exclusive auction business. No set price, no reservation, no by-bidding, no private sale. This has been our motto for the twelve years we have been in business, during which time we have operated from the Great Lakes to the Gulf, and have never failed or refused to sell a single piece of land, or property of any kind, after it was placed under the hammer. You make the price. The Government makes the deed. That's all.
